OPRC Resident Scholarship for 2021 High School Graduates

Application due date: Friday, June 18, 2021

WHO WE ARE

The Oak Park Residence Corporation is a non-profit (501c3) housing agency committed to improving the housing stock, increasing the racial diversity, and enhancing the affordability of our community. We have been working toward these goals since 1966. Currently we own or manage 671 apartment units, two senior buildings and a residence for disabled persons.

To broaden our investment in Oak Park, we are excited to announce a new scholarship for high school seniors who plan to further their education at an accredited university, college, or vocational training program.

THE SCHOLARSHIP

Each year a scholarship of \$2,000 will be awarded to a student who resides in any of our apartment buildings and accepted in an accredited 2- or 4-year college in the United States or other acceptable post-secondary educational program, such as a trade or vocational program. The scholarship can be renewed for up to three more years if the student is in good standing at their school.
